Arian Mahmoodi

CEO, Sell Your Old Apple, Inc.

1 person has recommended Arian

"Arian is the ideal client for a web developer. He pays me to be an expert and produce quality work - not so he can wear a big hat and micromanage me. When he needs something new, he gives me a specific outline, but allows me the flexibility to do what's right. He works quickly and is a great communicator."

— **Brian S.**, *Director of Internet Marketing, Upbeat Studios*, was a consultant or contractor to Arian at Sell Your Old Apple, Inc.
